INSTRUCTIONS: **a.** Solicitation Documents will be issued upon receipt of your affirmative response to this Pre-Solicitation Notice by the DUE DATE set forth in Item 15. **b.** If a charge is required under Item 8A, your affirmative response must include a check or money order in the applicable amount, made payable to Agency (shown in Item 9). Refund (when specified in Item 8B) will be made upon your return of the bid documents in good condition, without marks, notes, or mutilations, within 20 calendar days after the final date for receipt of offers. **c.** The Issuing Office, at its discretion, may make bid documents available to plan rooms of the Associated General Contractors, Chambers of Commerce, Dodge Reports, and other similar contractors' commercial service facilities. **d.** Bid guarantee is required with any bid in excess of \$25,000. Bid guarantee shall be in the amount of 20 percent of the amount of the bid, or \$3,000,000, whichever is less. For bid guarantee purposes, the amount of the bid is the aggregate of the Lump Sum Base Bid, all Alternates (if any), and the product(s) of each unit price (if any) multiplied by the applicable number of units shown on the Bid Form. **e.** NOTICE TO SMALL BUSINESS FIRMS: A program for the purpose of assisting qualified small business concerns in obtaining certain bid, payment, or performance bonds that are otherwise not obtainable is available through the Small Business Administration (SBA). For information concerning SBA's surety bond guarantee assistance, contact your SBA District Office.

## FEATURES OF THE WORK:

The contractor shall furnish and install an oil containment system. The oil containment system will be installed under the existing switchyard area and adjacent to the switchyard area. The work shall include excavating existing switchyard material and native soils and rocks and installing a concrete oil vault and an oil/water separator, and the associated piping system. The contractor will remove the existing gravel surfacing on the switchyard area and replace the gravel surfacing after installation of the oil containment system. The work shall also include the removal and replacement of existing chain link fencing where necessary and the placement of new chain link fencing.

### Principal Items of Work and Estimated Quantities Involved Include:

1.	Mobilization and preparatory work	Lump-sum
2.	Excavation for structures	260 cu. yd
3.	Furnishing and installing oil containment system	Lump-sum
4.	Furnishing and installing geomembrane	Lump-sum
5.	Removing and replacing gravel surfacing	34 cu. yd
6.	Furnishing and placing gravel for gravelfills	13 cu. yd
7.	Furnishing and erecting chain link fence	54 lin ft

Inspection of Plans: The complete solicitation may be viewed at no charge, after issuance, at the following offices of the Bureau of Reclamation:

Regional Contracts Office, Room 205, 1150 N. Curtis Rd., Suite 100, Boise, Idaho  
Project Construction Engineer, 3701 River Road, Yakima, Washington

Location of Work: The work is situated at the Green Springs Powerplant, approximately 10 miles east of Ashland, Oregon, on Highway 66 within Jackson County.

Site Visits: Prospective bidders desiring to visit the site of work should communicate with the Contract Specialist, Becky Young, 1150 N. Curtis Rd, Suite 100, Boise ID 83706, Phone No. (208) 378-5107.

Response Form: To obtain a copy of the solicitation please complete, detach, and mail the lower part of notice (first page) to Bureau of Reclamation, PN-3720, 1150 N. Curtis Rd., Suite 100, Boise ID 83706-1234.

Solicitation: The solicitation consists of bid solicitation documents, bid submission documents, and contract documents (including the specifications and drawings) in CD-ROM format. The CD should not be returned, and any charges paid therefore are nonrefundable.

Planholders List: A list of planholders for this solicitation will be available by accessing our website at <http://www.pn.usbr.gov/contracts/bidtest.html>.

Full-size Drawings: Except for overprinted drawings containing geologic information only, full-size reproducibles or blackline contact prints (without colored overlays) of any drawing contained in the solicitation/specifications will be provided upon receipt of a nonrefundable charge of \$0.75 per reproducible and \$0.50 per print, with a minimum charge of \$5.00. Requests and payments for reproducibles or prints of the drawings should be addressed to the Bureau of Reclamation, 1150 N. Curtis Rd., Suite 100, Boise, Idaho, 83706-1234, Attn: PN-3400. Please allow 10 days for processing orders.

Safety Handbook: Bidders are advised that the Department of Labor Safety and Health Regulations for Construction promulgated under section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327, et. seq.) and the Bureau of Reclamation handbook entitled "Reclamation Safety and Health Standards" (RSHS) will be applicable to the work under any resulting contract. The text of the RSHS (excluding appendices) will be included on the CD-ROM with the solicitation.

Payment for Mailing/Shipping: Charges for solicitations and full-size drawings include First Class postage. If you desire Federal Express Overnight delivery, write your request, including the Federal Express Account Number to which your shipments should be charged, on the bottom of the PSN form.
